Petition against consideration of Northcliffe Park as a site for a new crematorium

We, the undersigned, call upon Bradford Metropolitan District Council to withdraw Northcliffe Park from the list of sites under consideration for the construction of a new crematorium. This land is held in trust as open space for the benefit and recreation of the public, and we do not believe that it should be considered for development under any circumstances.

This petition is the same as the on-line one, please do not sign if you have completed the on-line version

Lead Petitioner: Stephen Blundell, 24 Avondale Crescent, Shipley, BD18 4QS. Tel (07799) 436262
